March 2024

Learning about Healthy Living

The 3rd grade classes have been enjoying Project Lean the past 3 weeks. They have eaten healthy snacks, learned about the food groups, and did some exercises!

Tiger Art

The new, 2nd semester group of 6th grade art students just completed their TigerZ project. The artistic challenge was, "What does Being a Tiger Mean to You?" All of the kids did a great job and here are a few of the results!

Blood Drive
Reminder March 28

Our next NHS Red Cross Blood Drive is scheduled for Thursday, March 28th. Please give, if you can. Not only are you providing life-saving blood and blood products, but you are also bringing scholarship money to a Gobles graduate!

NHS & Red Cross Blood Drive, Middle School Gym, 9:15 am to 4:00 pm. Gobles Public Schools, 409 N State State, Gobles.

NHS Eligibility Announced

Students who have a cumulative grade point average (GPA) of 3.00 or higher are currently invited to apply to NHS. Should they choose to do so, each applicant will be evaluated by the Faculty Council in the areas of character, leadership, and service as the National Honor Society strives to recognize well-rounded students who excel in many ways, not just academically.

The National Honor Society is not just an honorary organization. Though membership looks great on college entry forms and summer job applications, the NHS is, foremost, a service organization. While it is, indeed, an honor to be a member, it is also a responsibility. Members are expected to participate in several community projects. For more information, see the NHS page on the school website under the high school tab. You may also call or email Mrs. Butler with questions.

The list of continuing NHS members and those currently eligible to apply includes:

Super Rider Rewards

Every month Ms. Salefske gives the selected riders a "Super Rider" certificate and a brand new book!

Gobles Bus Driver, Ms. Salefske has started a new program this year to reward elementary riders who ride on her bus for showing their Tiger Pride. Each month she chooses 2 riders who have displayed respect for other students, respect for the safety rules of the bus as well as showing kindness and a willingness to help others.

End Tables are Making a Stand

Woodworking class is alive and thriving in Gobles High School. This is our second year of being able to offer two sections of beginning woodshop class for our high school students.

We have been busy making mantel clocks, Christmas reindeer, projects that improved our skills on the band saw and scroll saw as well as trying our hand at wood burning art. Students have even been challenged to make end tables.

Classes have doubled in size from last year and I am confident they will continue to grow in the upcoming years. This provides our students with the opportunity to learn, practice and implement all the skills required to build projects and feel safe and confident using power equipment in the shop.

Thank you to Gobles administration and the school board for approving the Industrial Tech course to be offered to our students. Also a big thank you to the Gobles Foundation and AddZie Property Management for their support to get the program off the ground and running.

Anyone wanting to donate materials or equipment to our new woodshop program, please contact Wendy Reese, Industrial Arts teacher, at Gobles High School wendy.reese@gobles.org

Lights! Camera! Read! March is Reading Month

The halls and classrooms at Gobles Elementary are once again filled with amazing books and decorations! This year, students and staff are celebrating March Reading Month with the theme "Lights! Camera! Read!" and enjoying books such as *Where the Wild Things Are*, Dr. Seuss, *Charlie and the Chocolate Factory*, *Up, Narnia*, *The Wizard of Oz*, *Ninja Turtles*, *Peter Pan* and many more. The month of March is filled with reading/writing activities, dress-up days, a literacy basket raffle and visits from special guest readers! Reading is one of the most important skills our students can learn, so we make every attempt to encourage reading and make it fun for our students.

A special treat this year is the "Masked Reader". While many individuals have watched episodes of the *Masked Singer* on television, this year Gobles Elementary is excited to present twelve teachers and staff members who have enjoyed sharing some of our students favorite books while in disguise. Each masked reader created a video that will allow students to listen to and enjoy books over and over again. At the end of the month our famous readers will be revealed to find out who is behind the mask. We are excited for families to watch these videos and have parents and children alike get pumped-up about reading. Be part of our red carpet event!
